Women and girls

In addition to the headline financial assistance and scooter commitments, the manifesto proposes: ■81,000 assistance under the Chief Minister Marriage Shagun Yojana for all categories; a women’s chaupal in every village; interest-free loans up to ■1 lakh for women-led agricultural and allied activities; expanding the share of women-led start-ups from 45% to 60%; maternal and child health centres in every district; making at least 5 lakh women Lakhpati Didis; training women self-help-group members as Drone Didis; working-women hostels called Shakti Sadan in every district; scholarships up to

■1 lakh for girls pursuing science and engineering; raising women's representation in Haryana Police from 15% to 25%; and support/rehabilitation homes for women affected by domestic violence. It also proposes CCTV coverage around schools and colleges and menstrual leave for women government employees on a day of their choice. (Source pp. 16–19)

Agriculture, dairy and rural economy

The manifesto promises continued MSP procurement for all 24 crops and continued farmer-payment mechanisms through the Meri Fasal–Mera Byora portal. It proposes interest-free loans of up to ■1 crore to farmer groups and PACS for grain storage; increasing annual government milk procurement from 1.67 lakh tonnes to 5 lakh tonnes; doubling Vita booths; establishing a milk collection centre in every block and a chilling centre in every district; and setting up 11 ethanol plants linked to cooperative sugar mills. These are manifesto proposals and claims, not independently verified outcomes. (Source pp. 20–21)

Employment, industry and skills

Alongside the 2 lakh government-job and 5 lakh other-employment commitments, the manifesto proposes 10 industrial cities and monthly apprenticeship stipends. Sectoral proposals include a world-class fintech hub in Gurugram, a defence and aerospace hub in Mahendragarh through a public-private partnership, an electric-vehicle components park in Rohtak, and integrated aquaculture excellence centres in Sirsa and Bhiwani to promote white shrimp farming. (Source pp. 12–14, 38–39)

Education, health and social protection

Education-related commitments include full scholarships for eligible OBC and SC Haryana students studying medicine or engineering at government colleges in India, and a proposed global education centre offering AI and modern-skills training. Health commitments include the ■10 lakh family treatment cover, additional ■5 lakh cover for members above 70, free dialysis in district government hospitals, free diagnostics in government and private hospitals, and maternal and child health centres in every district. For government employees, the manifesto proposes a new Unified Pension Scheme with assured pension, family pension and minimum pension. (Source pp. 12–14 and relevant sector chapters)

Workers, heritage, governance and environment

Worker-related proposals include raising sanitation workers' monthly pay over five years from ■16,000/17,000 to ■26,000/27,000 and legal protection for additional categories of contractual employees. Heritage proposals include efforts to revive the Saraswati River, develop the Saraswati Vatika riverfront near Pipli in Kurukshetra, and establish a military museum in Rewari. The manifesto also includes commitments under its sections on security, justice, good governance, environment conservation and district-specific development.
